Certain classrooms on UW campus are

- 00:06

equipped with a USB camera and MIC system,

- 00:09

and it can connect with any

- 00:11

popular video conferencing

- 00:12

software such as Microsoft Teams,

- 00:14

Webex Zoom or LMS Virtual classroom.

- 00:17

These work the same as any USB

- 00:19

webcam and allowed the online

- 00:21

students to have the same experience

- 00:23

as the in person attendees.

- 00:29

The video conferencing equipment

- 00:30

will work with either your

- 00:33  
laptop or the podium computer.
- 00:34  
On the Crestron touchscreen,
- 00:36  
which can be found on the top
- 00:38  
surface of the classroom podium.
- 00:40  
Press USB Cam mic located in the
- 00:43  
top right corner of the screen.
- 00:46  
This is where you select
- 00:48  
which computer to use.
- 00:49  
With the video conferencing system.
- 00:51  
To use the system with your laptop,
- 00:54  
select laptop,
- 00:55  
then locate the USB cable labeled USB Cam.

- 00:57  
Mike and the HDMI cable both coming
- 01:00  
out to the podium and connect these
- 01:02  
to the ports on your laptop to use
- 01:05  
the system with the podium computer,
- 01:07  
select PC under the USB Cam mic
- 01:10  
menu of the CRESTRON touchscreen.
- 01:13  
All cables are already connected
- 01:15  
to the podium,
- 01:16  
computer and everything outlined
- 01:18  
in the remainder of this video
- 01:20  
is the same for both podium
- 01:22  
computer and laptop usage.

- 01:27  
Within virtual classroom,
- 01:29  
click the three dots icon in the top
- 01:33  
right hand corner, click settings,
- 01:35  
and then select audio under
- 01:37  
microphone source and speaker source.
- 01:40  
Select Echo cancelling speakerphone
- 01:42  
followed by your room number USB.
- 01:44  
So here in Davis Center
- 01:47  
1350 this is what we see.
- 01:51  
Within the camera dropdown menu,
- 01:53  
select the same your room
- 01:55  
number followed by USB.

- 01:57

And now when you start your

- 01:59

class in virtual classroom,

- 02:01

you will be using the in class

- 02:04

collaborative technology.

- 02:05

Make sure you are using a wireless

- 02:08

lapel microphone so that the

- 02:09

participants on the video conference

- 02:11

can hear what is being said in the

- 02:14

room and the USB Cam section of the

- 02:16

Crestron touch screen is where you

- 02:18

select the camera angle presets and

- 02:21

also change what content is being

- 02:23

shown to the remote participants.

- 02:25

Thank you for watching.
